Addictive!!! by Cami914 on 2021/03/29 17:33 This is by far my favorite game. It's so fun and addictive! It would be even better if you could turn off the adds. I just love playing this game, it's never a dull moment and you always have something to do! If you like word puzzles, word searches or just want to have fun, I would highly recommend this app!! I hope the developers add a reward system for opening the app every day as well!",

The graphics in Coin master are relatively basic, but they are bright and colorful. The game is based on the concept of a treasure chest, which is where you keep your coins. The coin master himself is a bearded pirate who is dressed in traditional pirate attire, and his second in command (who helps you collect gems) is an orange fish wearing a top hat and a monocle. Another big feature of the game is that you have your very own pet fish which follows you around while helping to collect coins for you - these pets can be unlocked by reaching certain levels or using gems to take care of them. Their names are Chippy, Daffy, and Popeye - the latter two can be different depending on which pet you have unlocked.",

Fun, but.. by Aqueela on 2021/12/14 12:46 First of all, I love the concept of this game and, as an avid puzzle solver, I enjoyed completing the puzzles needed for each level. The game has some great features such as timed puzzles, word hints and more. However, I do have a few criticisms. First of all, the ads are sooo annoying! I've downloaded over 10 games in the past 2 weeks and every one of them had to be deleted because of the ads. Secondly, I was kind of annoyed with having 2 sets of tiles in a level then receiving new tiles from the previous board when you complete it. Finally, the timed levels were not that challenging and could have been better developed (so that you could make mistakes without losing time).",

In January 2021 Moon Active announced that they had signed an agreement with Netflix to develop a free to play mobile version of Coin Master for Android and iOS devices. current location within the game. Collectible items such as equipment, potions and rare drops can also be found.",

Moon Active's "Coin Master" series has been translated into different languages due to its open source nature. "Coin Master: Puss in Boots "(Kasegi 2: Bukimi no Tane)" has received a rating of 4 out of 5 stars (out of 1 vote) from 1 user review on Google Play.",

Great by I'm horrible at this on 2021/01/27 01:34 This app is really fun and addictive, but it has a lot of adds and if anyone knows how to get rid of them or change the amount of them I would be very thankful. Also, I don't care if you have to pay for the in app purchases like some games do, but sometimes it's annoying to see an add when you're almost done with a puzzle.",

You are able to unlock new levels by reaching certain levels of XP (experience points), with these levels being effectively allowing you to bank more fish (which cost 1 coin each), and spinning more wheels at one time. There are also achievements which can be unlocked. The achievements can range from getting a certain number of fish to completing a mini game with a certain amount of coins in the time limit. The achievement badges you earn contribute to your level, which is displayed next to your name and player ID on the stats page, and contributes 20 XP per badge. You also receive some XP each time you bank fish or spin a wheel. You are awarded coins

based on how many XP you have gained throughout playing the game which can vary from 2-10 gold coins per 100XP depending on how much XP you gained that day.",

"This is one of my favorite games because of the different levels and how easily it takes all my free time. It would be cool if there were different games you could play with friends online and offline.
