Awesome game, but.. by Rachel đŸ•• on 2021/08/03 17:48 This is a great game!! I've been playing it for months now and I still have no words left! You can also do timed puzzles which is always super fun. However, I hate that you have to wait a certain amount of time before you can do another level. That's stupid and I really don't understand why anyone would want to do that!",

Great app, but... by Anubis_In_Da_Club on 2021/11/27 15:02 I love this game, but I hated the fact that you had to wait a while until you could start another game. It was very frustrating. Good game but... by 1-2-3! on 2021/12/22 00:18 I really like this game. It allows you to come back to it later with a new board of squares that have a set pattern. In this case, all the white squares are filled in and you have to find all the words that fit in the pattern. It's really fun, although sometimes confusing as you try and decipher what is or is not a word. The only complaint I would have is there are SO many ads. They are annoying and it takes away from the flow of the game. They are also very small.",

Boring by tommissausage on 2021/10/31 12:19 With over six hundred levels of play, this game should get a lot more attention. Don't get me wrong, the graphics are good and the gameplay is engaging, but it's just so bland and uninspiring. It's like a run of the mill jigsaw puzzle with puzzles you've seen before. It also never lets up with adds and very little feedback when you successfully complete a game level. There should have been some form of ending criteria as well as feedback on your performance in game mode. Simply put: it's just boring.",
